UPDATE
THE MONTHLY MAGAZINE FOR Q-LINK MEMBERS

# Q-Link This Month

There's no place like home for the holidays, and to a nationwide network of Commodore® computer owners, Q-Link® is just that — an online home, an active community that provides hours of entertainment and information each month.

Imagine a place where you can meet new friends every day. Download software for your personal library. Even go shopping, make travel reservations, and keep up with news and the stock market.

Q-Link, the online computer service for Commodore computer owners, gives you all that and more! To take advantage of all Q-Link has to offer, all you need is a Commodore 64 or 128 computer, a modem (an inexpensive and easy-to-use device that connects your computer to your phone line), and the special Q-Link software.

This month, we sent a band of roving reporters out on Q-Link to bring members news of holiday festivities taking place throughout December. Download holiday music or graphics, send online greeting cards, or attend a concert with songs appropriate to the season. In addition to this holiday fare, Q-Link offers all of its regular services as well:

- **Get the scoop on new software before you buy** with the Software Buyer's Guide, and with demonstration programs you can download and try on your own computer.
- **Download thousands of public domain and shareware software programs** from Q-Link's software libraries.
- **Make your airplane, hotel, and car rental arrangements** online with American Airline's EAAsy Sabre℠ Travel Service.
- **Stay informed on the top news of the day** with stories from USA Today® and eight of the world's largest news wires.
- **Make smart financial decisons** with advice from experts and single stock quotes at your fingertips.
- **Look up facts in seconds in an online, up-to-date encyclopedia,** and send your children to online classes and tutoring sessions with professional teachers.
- **Chat with people from across the country who share your interests.**

Do you need Q-Link software? Simply call our toll-free number, 1-800-782-2278, Ext. 2423, and we'll rush you your Q-Link software package. For just $9.95 per month, you're entitled to unlimited use of our Basic Services, a free hour's use of our Plus Services each month (a $4.80 value), and a subscription to this exclusive magazine, the *Q-Link Update.*

# Download Commercial Software in the Showcase "Golden Oldies" Series

ROBIN ROSE

Whatever happened to your favorite commercial software packages of yesteryear? How do you get your hands on them when they're no longer available in stores?

Now you can download COMPLETE commercial software programs from Q-Link! You'll find your favorite classics in the new Golden Oldies area, located in the Commodore Software Showcase's Special Edition Software library.

*Planetfall,* long popular with adventure gaming fans, teleports you 12,000 years into the future to explore the galaxy as a member of the Stellar Patrol. The duties of a mail clerk are anything but ordinary in Infocom's *Wishbringer* adventure game, which begins when you discover a ransom note for a kidnapped cat. # Hang Up Your Stocking Near P.C.'s Holiday Hearth!

SADIE

Come in from the cold during December and warm your hands by the fire — Q-Link is planning an extraordinary holiday celebration! Find out what we're dreaming up just for you by visiting the Holiday Hearth area in Just For Fun's QSociety.

What do you really want for Christmas this year? Have you been naughty or nice? Let us know by writing a letter to St. Nick on the Hearth's Letters to Santa message board. Santa will scan the postings and fill the stockings of those with the merriest missives — with free hours, presents and maybe even an item from your wish list! Check the board often to see if one of *your* holiday wishes has come true.

Writing a letter to St. Nick just wouldn't be the same without cheerful tunes to make your season bright. You can download and listen to holiday melodies collected in a special software library called Tinsel Tunes. Let classic carols and traditional songs help you have a merry little Christmas now!

And instead of dashing through the snow in search of gift ideas, chip away at your shopping list with help from the Holiday Hearth's Software Wish List. Our industry analysts have reviewed the products and compiled this round-up of the hottest software gifts for the holidays.

Then, save time and avoid the paper chase with online holiday greeting cards, designed by our own QGraphs! Send custom greeting cards to your friends on Q-Link, complete with a personalized message. Choose from our selection of festive designs in the Greeting Card Shoppe, located in the Holiday Hearth, The Mall and on the main menu of Just For Fun's QSociety.

Finally, don't have a blue Christmas "pining" away for a lost love — you can melt a frosty heart by posting a message on the Hearth's Under the Mistletoe board. Leave a message to your online love if you have one, and if you don't, be warned: The mistletoe board may just bring you one. Romance Connection's "Venus" will be making many holiday matches. The warmest messages will win software!

Don't miss out on the many rooms, events and contests going on throughout the month. Visit the Holiday Hearth for event dates and times. Here's wishing you a merrier-than-ever holiday with Q-Link's People Connection — Start celebrating today!

# HOLIDAY HAPPENINGS

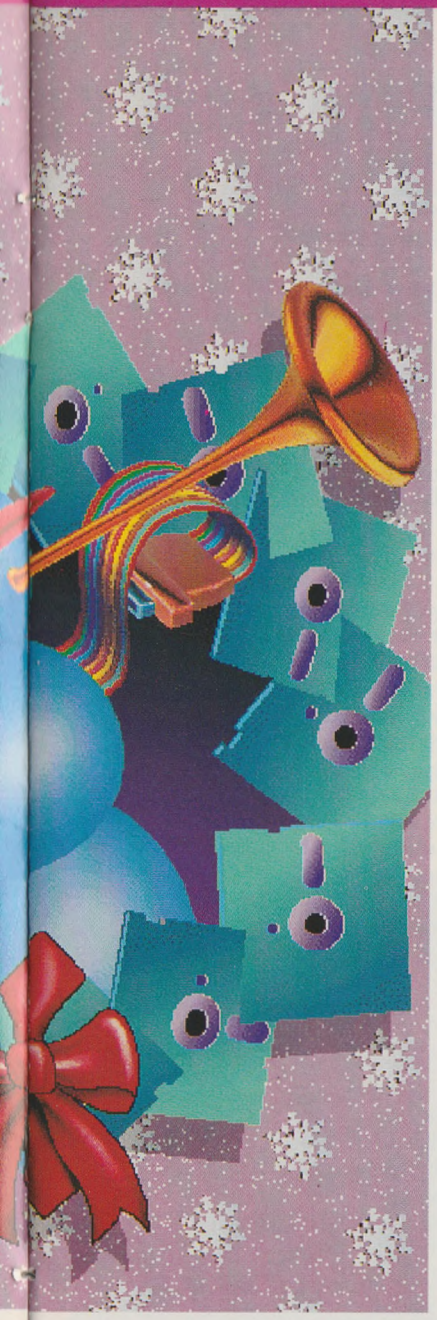
## *SEASONAL DELIGHTS AWAIT YOU ONLINE*

*Just in the St. Nick of time, Q-Link members have organized lots of fun holiday activities that will make the whole month of December merry and bright! Roving reporters "Wolfhawk", "EileenC," and "CCG Kailua" have gone to the far reaches of Just For Fun, RabbitJack's Casino, Club Caribe, and Music Connection to find out what seasonal events have been planned just for our members. Find events that appeal to your interests on the following pages and celebrate the holidays with Q-Link!*

### Just for Fun

Just For Fun's Family Center offers a week chock full of holiday activities that will take you back to those good times of the past and warm you up for this year's celebrations. And as an added benefit, you can win Q-Pons at Family Center events to redeem for free hours and commercial software!

The fun begins Monday, December 11 at 9 p.m. in the Family Center conference room and continues through Sunday, December 17. Every night at 9 p.m., two hours will be devoted to the evening's special holiday event:



**Monday, December 11** Find your way back to memory lane with Your Family Tree hosts "PatI" and "Russ Kyger" as they reminisce about those special "Holiday Memories" that you'll always treasure.

**Tuesday, December 12** Express your thoughts with the "FC Bible Study" group, as tonight's theme, "What Christmas Means to You," comes alive with the meaning of Christmas.

**Wednesday, December 13** Meet host "DebbiS" of the Health Care Club and AA Club Host "JohnnyMM" for "What I Really Want This Year" night. What tops your list for this year's wish?!

**Thursday, December 14** "Holiday Feast and Legends" with hosts "Eve1", "JessieA1" and "Gaslight." — they'll treat you to tempting plates of food from around the world, and when you get your fill, join them around the fireplace to chat about the Legends of the Christmas Spirit.

**Friday, December 15** Do you recall that special gift or holiday that overwhelmed you with a sense of peace and goodwill? Come share the good times with host of the disABILITIES Club, "ShySparrow" and the Coordinator of the Family Center, "Centerhost" as they fire up the yuletide log. . . . Or join the Family Center staff members in Music Connection's FC HOLIDAY MUSIC room as the sounds of the season are broadcast to you and friendly folks welcome one and all.

**Saturday, December 16** Bah Hum Bug, you say! A little bit of Charles Dickens in you at this time of the year? Join "EMT Scrooge" and host "Arrienne" on "Scrooge Night." Sound off about what's bugging you when you're a bit overwhelmed with talk about peace and goodwill. . . .

**Sunday, December 17** Ending the week on a positive note, "Arrienne" and "Karen C 7" will take a look at "Holiday Traditions." How does your family celebrate the holidays year after year?

Elsewhere in Just For Fun, other groups are planning to make merry as well. On Friday, December 22, Single Parents will be having a Christmas party for parents and kids. TimTam Alley will be having oodles of parties, and "Ms TimTam" will be giving away Q-pons at games of Adult Trivia and Scruples.

In addition, look for special events hosted by the VIQ Club, Crossroads Cafe, Over 50, and the

disABILITIES Club. Check your *Update* Calendar for details on all these events and more happening this month in Just For Fun!

**(Just For Fun/Family Center and Other Club Conference Areas)**

## Club Caribe

Join your island friends to decorate the Club Caribe Christmas tree on Monday, December 11 at 8 p.m. Then, follow the gang to GS Headquarters for an evening of holiday tale-telling. If you can't make it on the 11th, you'll get another chance to decorate the tree on Wednesday, December 20, to be followed by Chanukah tales in the Caribe Theater.

On December 16, you can have a very *lucrative* holiday by searching for the Christmas Token tree. You find the tree, and you get to keep all the tokens that decorate it to do that holiday shopping! And on December 22, start festing the nights away when the island proprietors begin their round of holiday parties.

The whole month comes to a rousing climax on Sunday, December 31 with an island-wide New Year's Eve party. On Club Caribe, you can celebrate as much as you like, without having to worry about driving home when you're done!

**(Just For Fun/Arts & Entertainment/Club Caribe Travel Guide)**

## Reindeer Run Amok in RabbitJack's Casino!

The QRJs at RabbitJack's will be donning their reindeer costumes for holiday Casino fun! Throughout the month, look for the reindeer in the Casino, lurking among the slot machines, hiding under the bingo tables, anywhere a mischievous reindeer can try to act nonchalant. Players who find the reindeer and guess their QRJ identities will be in the running for a CD player to be given away at the end of December!

You can also exchange Casino greeting cards with other regulars in the Casino Club, or give a friend a special Christmas or Chanukah present by assigning your winnings to them as a gift. For complete details on all these Casino events, check "What's Hop'ning" in the Casino Club!

# Join Us for a Festive Holiday Concert!

## (Sponsored by Music Connection — and Santa!)

EILEEN C

'Tis the season to be jolly! So you're invited to join in the holiday cheer during a very special Concert & Graphics Display at 9 p.m. on Thursday, December 21 in the Q-Link Auditorium.

Bring your requests for holiday carols to the concert. Music Connection hosts will be on hand to play all your old favorites (be sure to sing along with the members who share your chat row in the Auditorium).

Q-Link's "QGraphs" will also add to the merriment by presenting their exclusive holiday graphic designs, featuring Christmas trees and ornaments, menorah, snowmen, reindeer, and special surprises. You won't believe your eyes!

***If you have Music Connection, test your memory for carol melodies and verse after verse of lyrics in "Name That Carol," Tuesday, December 12 at 9 p.m., and at a holiday special edition of "Noe-Lyrics," at 10 p.m. on Tuesday, December 19.***

A visit from old Santa himself will top off the celebration. He'll be climbing down the Auditorium chimney with a bag of presents — including software, free hours, Q-Pons, and much more — to award to some lucky 'Linkers in the audience. Santa will also invite "good lil boys and girls" (of all ages) to join him on stage and read their holiday wish lists. What better way is there to celebrate the holidays than with a terrific concert feast for the eyes and ears?

Before the big concert, be sure to download the latest version of the Music Connection disk so you'll be able to join in the fun (and actually hear the holiday tunes). Download it in the Music Connection Center, located in Just For Fun and the Commodore Information Network.

# GEOS HAS GO
# BUT THIS OFFE

When is an upgrade not an upgrade? When you're upgrading to GEOS 2.0.™

Oh, sure, you've heard a lot of that upgrade stuff before. But GEOS 2.0 isn't just a couple of itsy bitsy enhancements here and there. It's more like 60 whole new options, utilities and applications (some of which were once sold separately) all rolled into one package.

The fact is, GEOS 2.0 is different. Really different. Even in the way it affects your wallet.

For a very limited time, we'll upgrade your GEOS 64 or 128—normally $59.95—for only $29.95 ($34.95 for GEOS 128). Which means that for a very few dollars, you can get a whole lot more out of the system that revolutionized the Commodore® world.

Sound good? Well, this ought to make it sound like music to your eyes:

Order your 2.0 upgrade with this coupon and we'll send you FontPack 1™—20 terrific typefaces of all shapes and sizes—for free. Zip. Nada.

Now is that an upgrade offer, or what?

**29.95** Special upgrade offer.

## Something to write home about.

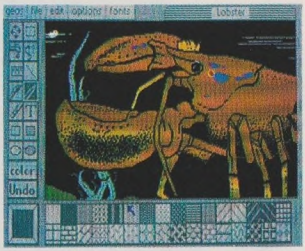
With new geoWrite™ 2.1 you can incorporate multiple column overlays, headlines and borders and instantly convert any Commodore based text (like PaperClip,™ Easy Script,™ Speed Script™ and Word Writer™) into a geoWrite format.

You also get 10 fonts (7 styles in multiple sizes). Date and time stamping. Expandable margins (to 8 inches). Right, left, center and full justification. Single, 1.5 and double spacing. Page numbering. Headers. Footers. Search and replace.

And that's only a *partial* list.

A new geoSpell™ automatically corrects any blunders it finds 38% faster than before. A new geoMerge™ combines with geoWrite to create customized letters and lists. And geoLaser™ prints near-typeset quality output on Apple® LaserWriters.™

Whew.



## More graphic displays of power.

A new geoPaint™ still gives you 14 graphic tools, 32 brush shapes and 32 painting patterns. But now it can also enlarge or reduce images to scale. And new paint brushes let you create semi-transparent

# ITTEN BETTER
# R NEVER WILL.

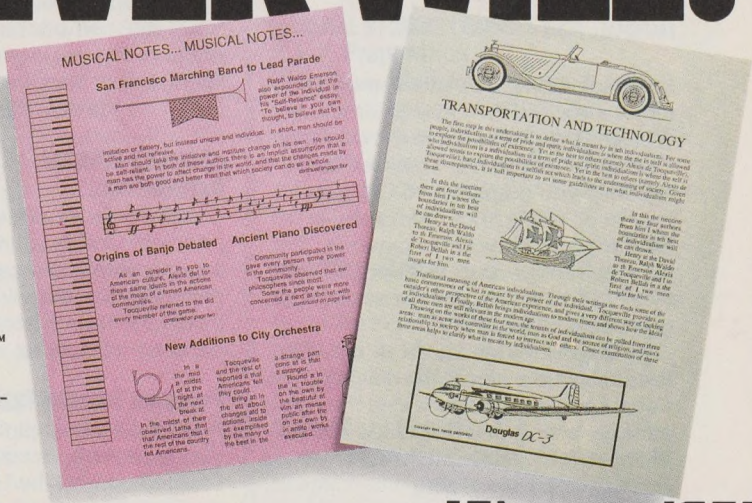
overlay effects.

There's a new grid for easier sketching of large images. New graphic shapes, including connected lines, ellipses and squares. And for more perfect control, you can now stop pattern fills in progress.

The new 2.0 deskTop™ allows multiple file selection for most operations. And erases entire disks without reformatting. It manages more files, three disks and drives (even the 1581) in less time. Copies files faster with fewer disk swaps. And even color codes file icons for easier identification.

There are more keyboard shortcuts. More enhanced desk accessories. It can even retrieve your most recently deleted file from the waste basket!

**FREE**



## The price of power.

For any non-GEOS owner, these two packages might cost a princely sum. But not for you. You were with us when we started, so we figure we owe you one.

Make that two.

So get on your horse and send in the coupon. After all, upgrade offers come and go.

And this one is going very, very fast.
